ABOUT COMPANY

New Release Biz Holdings (Pvt) Ltd has a network of companies spanning from small enterprises to multinationals, precisely identifying the nature of their business and our need for it, and providing them with the most appropriate IT solutions since 2014.

*It presently operates as a coalition of **New Release Biz-Software**, a software development and associated IT services provider; **Cloud Ceylon Consolidated**, a prepackaged software product selling firm; and **iDeal Concepts**, which is a digital marketing services provider, including with a variety of packages. All the service providers offer the best services in unique ways.*

It is absolutely unique in that it has brought together numerous clients from all over the world, allowing us to provide online services to consumers in our own nation as well as all over the world in a short period of time.

CEO STATEMENT

Lahiru Kahawatta

MSc(Info.Sec.) BSc(SEng)
